Hello GroupZ members, March is almost behind us as I write this and it has been a great month for the club and related eventz... First off, our general meeting was attended by about 20 members and 10 or so guests several of which are now members as well. It was a really good time and reminded me of the meetings from years past with the lot full of Zs and really good discussions all around. The main topic we covered was the MSA show, as we are going to be the emcee for the Saturday Night Social at Marie Calendars in Orange. Please go to the Motorsport website for details and to register for the get together. Also, the board members are coordinating things but we could use some extra support from some of you members

and if you have any ideas for games or activities that we could do to liven things up, please let us know. We also talked about doing a TIKI drive in event in May for the Fast and Furious, (more to come on this soon) and T-shirts ; yes there are plans in the works to have Group Z T shirts ready for the Motorsport show. Other news, we actually drove our Zs!! There were 3 successful drives each of the first three weekends of the month. The first was put together by the Datsmo guys up Glendora Mountain Road, the second was an Empire Z desert run, and the third was a GroupZ drive up Azusa Canyon to Crystal Lake. There are pics of all of these on the respective facebook groups and pages and I will ask

Quincy to include a few here in the breeze as well. Now onward and no foolin, April is here and arguably the biggest Group Z month of the year. Hope to Z you at the general meeting, we will have a lot to talk about, so come on out!!

All Z best,  
Ian Stewart

## W e l c o m e t o m y w o r l d

*Well, here we go into another April and another season of fine Z events. Some of you may remember past shows and all the fun and merriment accompanying this MSA event.*

*For some of you this will be your first time and hopefully not your last.*

*What makes all these events possible is your participation as a Z owner and hopefully as a Group Z member. Most of the jobs required of this club are pretty thankless so if you do see an officer or a board member please say hello and thank them for their service to your club. It is especially important to let our newer club officers and members know that their involvement is what keeps this club going and growing.*

*For all the old members, you know many of the rewards of being involved in the oldest Z club on the*

*planet and the warmth and gratitude felt by other neighboring clubs you have helped nurture and support over their much shorter tenure in the Z community.*

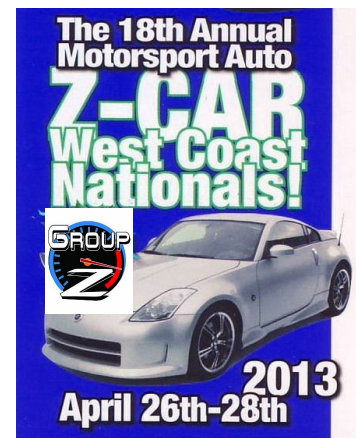

*I feel the warmth and camaraderie every time I attend one of the Z events, ours, or others.*

*It's important to make this community of the Z last as we bring in new folks to our world.*

*Hey, we have a tech-in planned for the very near future. I'm hoping to see you all there!*
