The occasional monthly newsletter of Group Z for March 2012

Welcome renewing members Curt .

Hello and welcome to new member Gustavo Rojas, and his almost finished blue '80 280Z monster.

Because attendance has dwindled to the monthly meetings, I've asked the BoD's to reduce the members present to 20% from 25% to create a quorum. Read section X para 1 in the Bylaws for current language. They have agreed to my request. Now all that has to take place is a yes vote at a general meeting. Section XIV para 1 dictates that a quorum be present. See the catch 22 here?? This is serving notice that a vote will be taken during the April gen meeting regarding this issue. I will keep all you interested and non-interested folks posted.

BoD's meet the last Saturday of the month at Paul's Place, SE corner of Orangethorpe@ Knott.
