Hello GroupZ members,

Well June is upon us. Hope you all had a good Veterans Day weekend and a big thanks and much respect for those of you that are or have served

May has been another great month for the club. The general meeting is now at Katella grill and we had a big turnout. Both new faces and some I had not seen in years. The food was great and not to big a hit on the wallet. The meeting room is big and the parking lot is bigger.

The tech in day at Motorsport on the 18th was a great time as well. We had a dozen or so cars, reviewed how to do a 3 minute safety check on your car and prep for a track day. We followed that up

Monthly Get Together at Katella Grill on Thursday June 13th. at 7:30 PM. KG is located at 1325 W Katella Ave, Orange, CA 92867 (Corner of Katella and Main)

All Z owners and fans of the Z/ZX are welcome to attend.

Letter from the Prez

with a raffle of the re-gifted gift certificate (thanks to Jackie Harris), Q&A on specific cars and special discounts in the store. Huge thanks to Greg Smith who was very gracious in providing his time, coffee and doughnuts and the back parking lot.

On the 25th we had the Mission Tiki drive-in event in Montclair with the Fast and Furious. There was a big turnout for this as well. Great Job Susan, Scott and all for

putting together the event Look us up on Facebook Groups for picks and comments on both events. In June, we have been invited to join the Empire Z drive up to Big Bear on the 9th. July will include at least one Saturday morning canyon drive and August will be the Group Z BBQ at Tom and Linda's.

As always, check out the events calendar on the web page for more info.

On a separate note, Quincy, our newsletter editor is moving on to other things so if you have a little time, we could sure use some help

All Z best,

June is the sixth month of the year in the Julian and Gregorian calendars and one of the four months with a length of 30 days. Ovid provides two etymologies for June's name in his poem concerning the months entitled the *Fasti*. The first is that the month is named after the Roman goddess Juno, wife of Jupiter and equivalent to the Greek goddess Hera; the second is that the name comes from the Latin word *iuniores*, meaning "younger ones," as opposed to *maiores* ("elders") for which the preceding month May may be named. June is the month with the longest daylight hours of the year in the Northern Hemisphere and the shortest daylight hours of the year in the Southern Hemisphere.

June is finally here!

(And she is bust'in out all over)

I am sure you have all been waiting for this epic month;

The kids are out of school, almost.

The ground has thawed, maybe.

Aunt Minnie has come to stay for the summer... again.

And your Z car is finally ready for the 'road trip'.

What, no road trip?!

The 'family' has decided that you should steer them in the 'ol Family Truckster Bloato-SUV Luxo-Barge with the multiplex DVD bratminder in 3D, giant walk in fridge and the transformer style mini-portolet for Aunt Minnie and 'junior'.

What Sacrilege, but don't lose hope.

There are lots of driving and social events scheduled in June and beyond. You can always leave the family unit at the newly christened

'National Tiger Mosquito Sanctuary & Solid Waste Recycling Center Museum' while you catch a flight back to nirvana to make that epic drive ...

**Z's are meant to be driven, SO
DRIVE!**

I hope you all enjoy your summer. For me I'll be taking an extended vacation so you may or may not see a Z BREEZE penned and published by club folks we hopefully have waiting in the wings to impart all their knowledge and expertise for the benefit of your Group Z family.
